

(c) *Grant closeout procedures.* When grants to State agencies are terminated, the following closeout procedures for the Program shall be performed in accordance with OMB Circular A-102.

(1) *Termination for cause.* FNS may terminate a State agency's participation under the Program, in whole or in part, whenever FNS determines that the State agency has failed to comply with the conditions prescribed in this part. FNS shall promptly notify the State agency in writing of the termination and the reasons for the termination, including the effective date. A State agency shall terminate a local agency's participation under the Program by written notice whenever it is determined by FNS or the State agency that the local agency has failed to comply with the requirements of the Program. When a State agency's participation under the Program is terminated for cause, any payments made to the State agency, or any recoveries by FNS from the State agency, shall be in conformance with the legal rights and liabilities of the parties.

(2) *Termination for convenience.* FNS or the State agency may terminate the State agency's participation under the Program, in whole or in part, when both parties agree that continuation under the Program would not produce beneficial results commensurate with the further expenditure of funds. The State agency or the local agency may terminate the local agency's participation, in whole or in part, under the same conditions. The two parties shall agree upon the termination conditions, including the effective date thereof and, in the case of partial termination, the portion to be terminated. The State agency shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. FNS shall allow full credit to the State agency for the Federal share of the noncancellable obligations, properly incurred by the State agency prior to termination.

§ 247.19 Nondiscrimination.

(a) *Requirement.* The State agency shall comply with the requirements of title VI of the Civil Rights Act of 1964,

the FNS Civil Rights Instruction 113-2 and the Department's regulations concerning nondiscrimination (7 CFR part 15), including requirements of racial and ethnic participation data collection, public notification of the nondiscrimination policy, and annual reviews of each local agency to assure compliance with such policy, to the end that no person shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Program.

(b) *Non-English materials and staff.* Where a significant proportion of the population of the area served by a local agency is composed of non-English or limited English speaking persons who speak the same language, the State agency shall take action to ensure that Program information, except certification forms, is provided to such persons in the appropriate language orally and in writing. The State agency shall ensure that there are bilingual staff members or interpreters available to serve these persons.

(c) *Complaints.* Complaints of discrimination filed by applicants or participants shall be referred to the Director, Supplemental Food Programs Division, Food and Nutrition Service, U.S.D.A., Washington, DC 20250.

§ 247.20 Fair hearing procedures.

(a) *Availability of hearings.* The State agency shall provide a hearing procedure through which any individual may appeal a State or local agency action which results in the denial or termination of benefits to the individual. The State agency shall conform to Program hearing procedures as outlined in this section at all times unless the State has an alternate hearing procedure whereby participants can appeal State or local agency actions.
